

# Get Ready to Meet Some Real Characters

Imagine yourself the manager of a television station. Next, imagine hiring a reporter who visits a nudist camp...who drives an advertiser's new automobile into a lake...and who willingly sits for hours in a bathtub full of lime Jell-O. And does it all on-camera.

It was enough to make Tom Hutchison tear at his hair. Yet it helped propel Hutchison's little TV station from a distant third place in the Green Bay market to a dominant number one for many years.

Yes, colorful characters abound in the news business, and over his 40-year career in newspapers and television, Tom Hutchison met so many he had to put their stories...and much more...between the covers of this book.

Along the way, Tom somehow found the time to help establish Milwaukee's Pettit National Ice Center, the Midwest's largest and longest-running annual rodeo, and the Green Bay Packer Hall of Fame.

*The Land of Milk & Money* takes you on a journey through it all, and if you recall anything about life in Wisconsin from the 1950s through today, you're sure to love this book!
